## Successful Employment Outcome Letter Effective 8-12-09 Number 225

### SUMMARY OF UPDATES

This letter has been revised based on a recommendation from the field. The first sentence in the first paragraph has been revised to read “Congratulations on your success in your job”. The previous version of this letter read “Congratulations on your job”. It was reported that some consumers were puzzled by that sentence as consumers had already been employed on their job for at least 90 days if not more.
